Cover

Let Your Love Flow (Williams) © 1976 Bicycle Music Company, BMI.
A celebration of life and all the good it beholds...you simply can't stop the momentum here if you tried...fun tune...
Leader Of The Band (Fogelberg) © 1982 BMI April Music Inc / Hickory Grove Music, ASCAP
A Fogelberg signature song. Quite often, friends ask where the music comes from in my family. The answer is my grandpop, Raymond Rose, who I love and respect so very much. He will always be my "leader of the band".
Mother Nature's Son (Lennon - McCartney) © 1968 Sony / ATV Tunes / Northern Songs / Blackwood Music, BMI.
Lennon-McCartney...probably the best songwriting team in music...my version has a bluegrass feel...a country wish from a city boy...
Garden Party (Nelson / Brimhall) © 1972 Sony / ATV Songs / Marragan Music, BMI.
"Garden Party" was one of the first 45's my family owned...Decca Records...my father was always a Ricky Nelson fan... "You can't please everyone, so ya gotta please yourself." I live by that line!
Howl At The Moon (Wheeler) © 1993 Amarchrist Music / Penrod & Higgins, ASCAP.
What a gem of a song written about dogs and ourselves...the finest tune ever written about man's best friend. Cheryl has captured all of the magic so eloquently. I sing this one for our golden retriever, Fawn, who lived to be seventeen and brought so much joy to our lives...a real "golden oldie"!
Come Monday (Buffett) © 1974 Songs of Universal, BMI.
This song introduced us to the man from Margaritaville... Buffett classic and another crowd favorite...
Sweet Baby James (Taylor) © 1970 Country Road Music Inc. BMI Blackwood Music Inc, BMI.
My favorite JT tune...a real hitting cowboy ballad offering a glimpse of the West. This song was written as a child's lullaby. "Singing works just fine for me." Just perfect...
Alaska (The Last Frontier) (Westfall) © 2007 EagleFlight Music, BMI
The definition of Alaska is "Great Land." When I discovered that, I began weaving the meaning into a song... a reflection of my time spent in this still largely untamed part of our country. I dedicate the words and the melody to the people who call Alaska their home.
