RE: Alberts & Therm-L-Sav Websites

Nancy:

I wanted to thank you and Michael for the fine job you did for me on both my new websites. Not only was the work done quickly, efficiently and beautifully, I can honestly say that the questions you asked of me during the process were in "laymen's terms" so that I could easily answer them and keep the entire process moving.

I have already recommended you to another person who mentioned he is looking for a website designer.

Sincerely,

Jeff Kerner, PE
